

Purdue Intercollegiate Bowling Club Annual Bowl-a-Thon

As a potential member of the Purdue Intercollegiate Bowling Club, I am helping the team reach our goals by participating in the 2016 Purdue Bowl-a-Thon. You can make a difference by sponsoring me! This sponsorship can be for a fixed amount or can be per pin (based on highest game). Additionally, a maximum amount can be specified if you wish. Donations will be collected after I bowl all of my qualifying games on September 11th, 2016 and are due by September 26th, 2016.

All proceeds from the Bowl-a-Thon aid the team for the upcoming season. Any kind of contribution is welcome and will help the Purdue Intercollegiate Bowling Club raise funds for tournament entries, travel expenses, and costs associated with skill development. As a non-varsity club team, we do not receive funding from the university and rely solely on the gracious support of generous donors like yourself and other fundraising endeavors.

Thank you for supporting our team and helping us achieve Excellence and Success!
